Listed on the accompanying form PTO-1449 and enclosed herewith are several English-language documents. One document listed on the PTO-1449 is a non-English (i.e., French) document, Wexler, France Patent No. 716,766, December 28, 1931. The relevance of the Wexler patent is that it was cited in the PCT International Search Report of July 13, 1999. The patent is listed as category A, "document defining the general state of the art which is not considered to be of particular relevance." Applicants respectfully request that these documents be listed as references cited on the issued patent.

Applicants filed this Information Disclosure Statement before the mailing date of a first Office action on the merits. However, if the Patent Office determines that a fee is required for Applicants to file this Information Disclosure Statement, please charge any such fees, or credit overpayment, to Deposit Account No. 02-4550. A duplicate copy of this Information Disclosure Statement is enclosed.

Respectfully submitted,
